

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2008

This is to certify that:

Turner Engine Powered Services Limited
65 Craighton Road
Glasgow
G51 3EQ
United Kingdom

Holds Certificate No: **FS 20824**

and operates a Quality Management System which complies with the requirements of ISO 9001:2008 for the following scope:

Supply, installation, commissioning, maintenance, repair and testing of industrial and marine diesel engines, rotating electrical equipment, switchgear, fuel injection, turbochargers, transmissions, governors and associated equipment.

Design, manufacture, installation, repair, maintenance and overall refurbishment of diesel and gas fuelled reciprocating engines and generating plant and the supply of associated components and part thereof.

Design, manufacture, management of installation and supply of flame and explosion protection components and systems. Design and manufacture of water/gas heat exchangers for diesel and gas engines.

For and on behalf of BSI:

Managing Director, BSI EMEA
